

# Dresden Street Bicycle Boulevard

## Overview

- Background
- Description
- Q & A

Daniel Moorhead  
Engineer-In-Training  
City of Columbus

# Project Context

- Before: Motor vehicles emphasized first
- Now: Safely accommodate all users

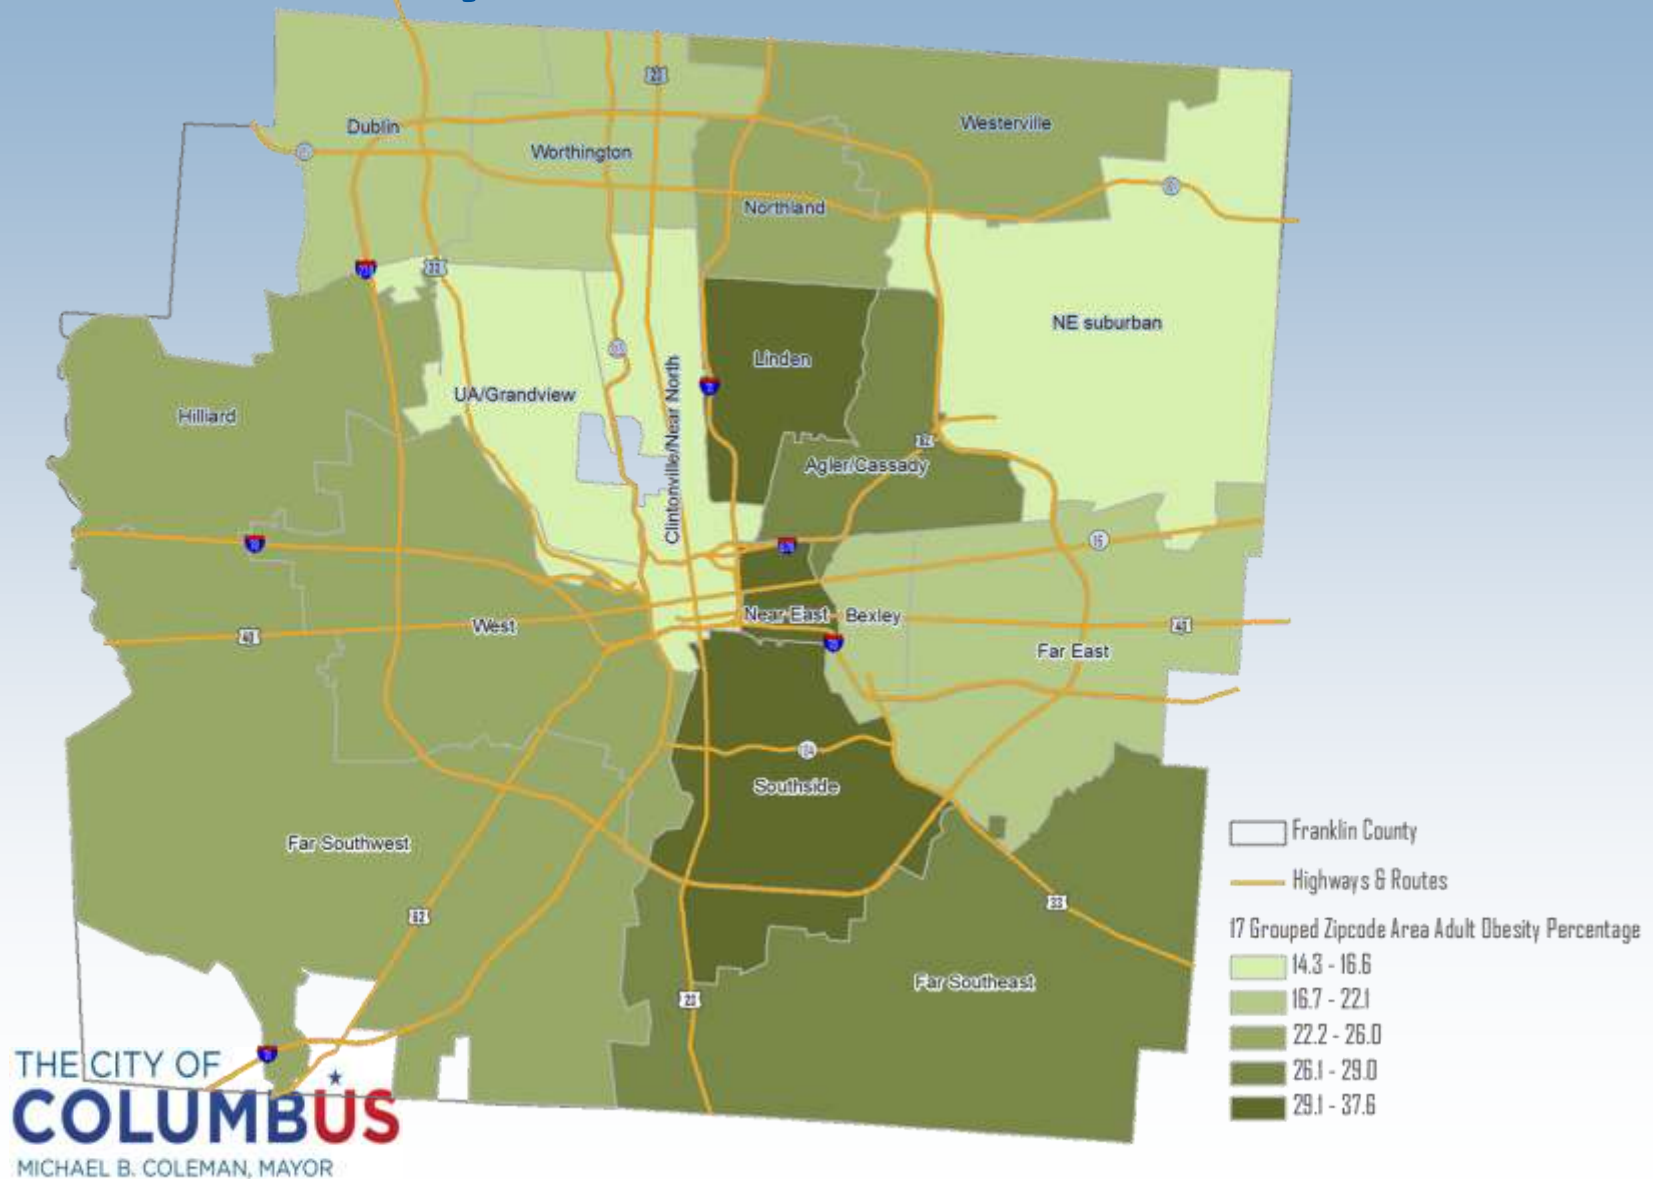

# Bicentennial Bikeways Plan

- Why is there a Bicentennial Bikeways Plan?
  - Create a citywide bicycle network to make it safe and easy for citizens to ride bicycles to parks, neighborhood gathering places, and businesses
  - Promote active, safe and healthy transportation choices
  - Make Columbus a more attractive, bikeable and walkable city

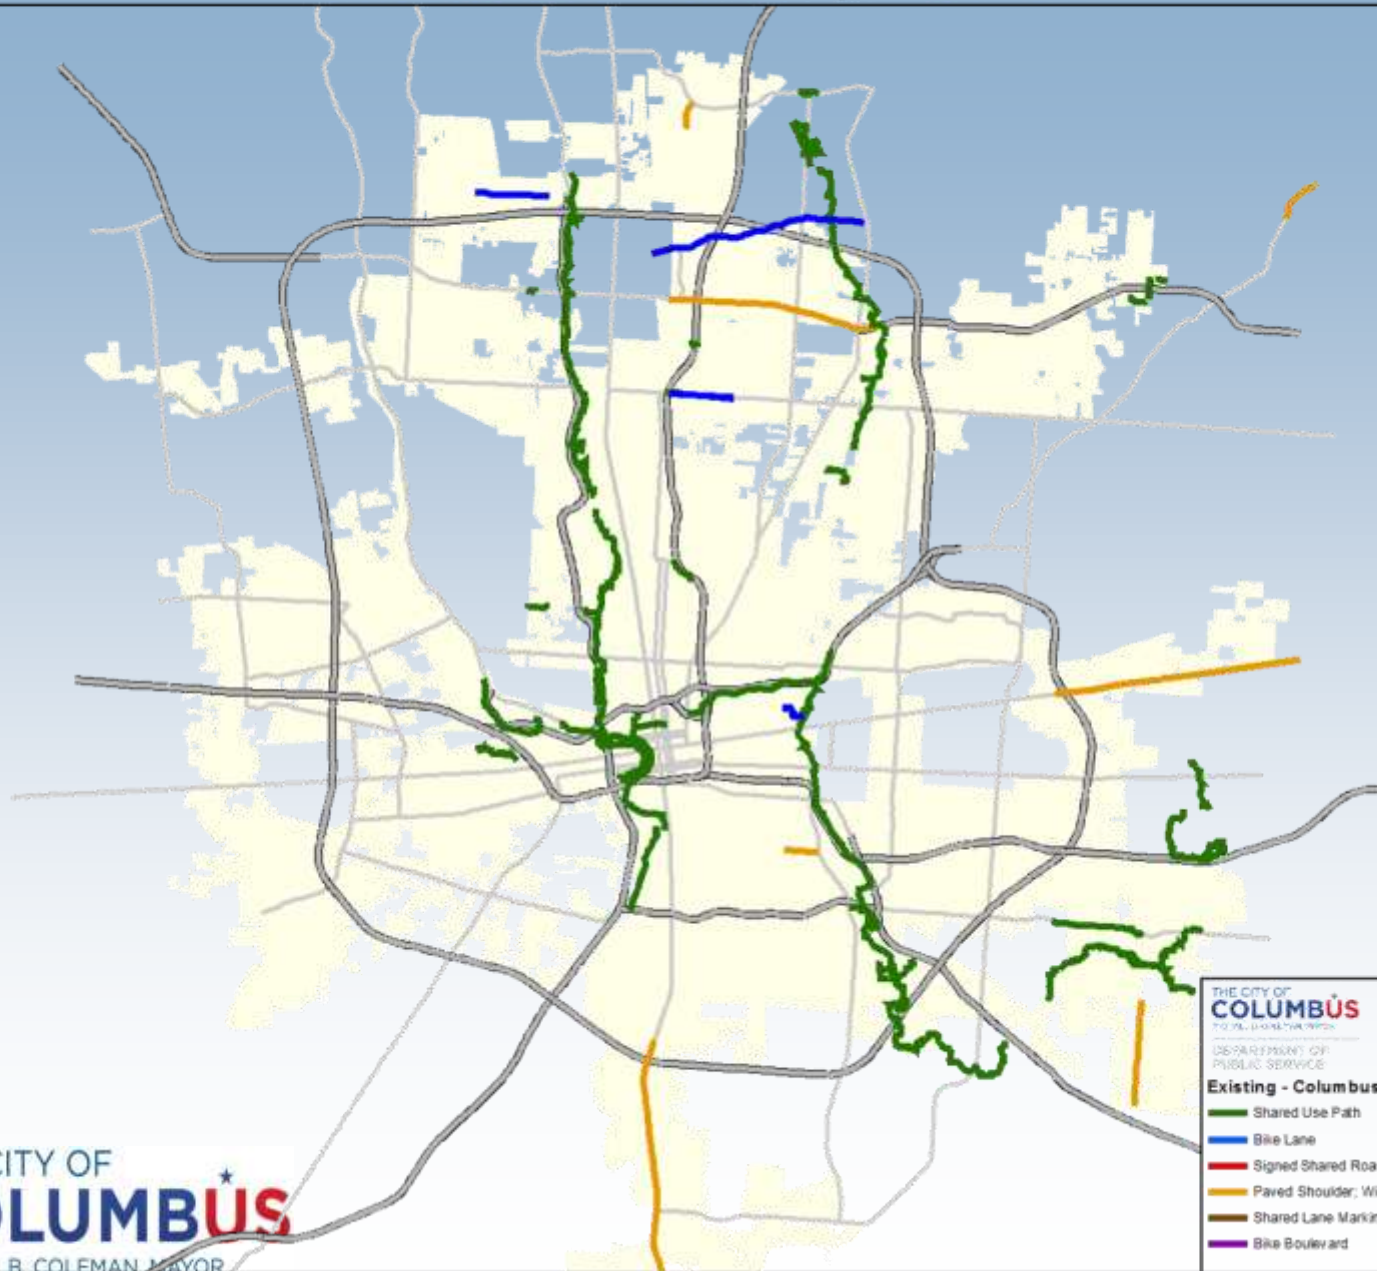

# Healthy Communities are Bikeable
